The Chairman announces that no requests for additions to the Shareholders’ Meeting agenda have been submitted by shareholders, nor there were any proposals for resolutions on items already on the agenda, in accordance with the provisions and deadlines indicated in Article 126-*bis* of the TUF, and that no individual proposals for resolutions on the items on the agenda have been validly submitted by the shareholders, or proposals whose submission is otherwise permitted by law, pursuant to and within the terms of Article 135-*undecies*.1 of the TUF. However, proposal resolutions regarding item no. 3 on the agenda of the ordinary part have been submitted by the shareholder “Holding Happy Life S.r.l.”.

He also informs attendees that, that, pursuant to Article 127-*ter* of the TUF, before the Shareholders’ Meeting and by the deadline of 17 April 2024 indicated in the notice of call, the Company received some questions from the shareholder Marco Bava: a copy of these questions, together with the related answers, were published on 23 April 2024 on the Company’s website, "Corporate Governance/Shareholders' Meeting/Ordinary and Extraordinary Shareholders’ Meeting 26 April 2024" section.

He also reminds that, as indicated in the notice of call, pursuant to Article 106 of the *Cura Italia* Decree and as an exception to the provisions of Article 10.4 of the By-laws, participation in the Shareholders’ Meeting by those entitled to vote takes place exclusively through the Designated Representative, as the party to whom shareholders can grant proxies with voting instructions on all or some of the proposals on the agenda, pursuant to Article 135-*undecies* of the TUF, and that Monte Titoli, as Designated Representative, has announced that it has no personal interest in the proposed resolutions submitted for voting. However, with due consideration to the existing contractual relations between Monte Titoli and the Company, particularly in relation to technical support at Shareholders’ Meetings and ancillary services, in order to avoid any subsequent disputes connected with presumed circumstances that may result in a conflict of interest as described in Article 135-*decies*, paragraph 2, letter f) of the TUF, Monte Titoli has expressly stated that, should unknown events occur or in the case of amendments or supplements to the proposals presented to the Shareholders’ Meeting, it does not intend to cast a vote that differs from that indicated in the instructions.

The Chairman also declares that:

- the subscribed and paid-in share capital at today’s date is €35,019,621.00 (thirty-five million nineteen thousand six hundred twenty-one point zero zero) and is represented by no. 35,019,621 (thirty-five million nineteen thousand six hundred twenty-one) ordinary shares, without par value;

- each ordinary share entitles the holder to one vote at the Shareholders' Meeting, except for no. 19,384,105 (nineteen million three hundred eighty-four thousand one hundred five) shares which have obtained increased voting rights (in the ratio of two voting rights for each share) in accordance with Article 6 of the By-laws; therefore, the total number of voting rights exercisable at the Shareholders' Meeting is 54,403,726 (fifty-four million four hundred three thousand seven hundred twenty-six);

- as of today's date, the shareholder who holds a relevant shareholding pursuant to Article 120 of the TUF and who is the holder of shares that have vested the increased voting rights is "Holding Happy Life S.r.l." for 19,216,105 (nineteen million two hundred sixteen thousand one hundred five) shares equal to 38,432,210 (thirty-eight million four hundred thirty-two thousand ten) voting rights;

- on 21 April 2020, the Shareholders' Meeting passed a resolution to increase the share capital in divisible form, with the exclusion of option rights pursuant to Article 2441, paragraph 8 of the Italian Civil Code, by a maximum nominal amount of €884,615.00 (eight hundred and eighty-four thousand six hundred and fifteen point zero zero), to be executed no later than 30 June 2029, through the issuance of a maximum number of 884,615 (eight hundred and eighty-four thousand six hundred and fifteen) ordinary Sanlorenzo shares destined, exclusively and irrevocably, to service the 2020 Stock Option Plan, as approved by the Extraordinary Shareholders' Meeting of Sanlorenzo on 21 April 2020, all under the terms and conditions set forth in the resolution itself; this capital increase as of today has been partially subscribed for a total of no. 519,621 (five hundred nineteen thousand six hundred twenty-one) ordinary shares;

- the Company's shares are admitted for trading on the electronic stock market organised and managed by Borsa Italiana S.p.A. – Euronext STAR Milan segment;

He recalls that:

- with reference to the relevant shareholdings pursuant to Article 120 of the TUF, the company does not qualify as an "SME" pursuant to Article 1, paragraph 1, letter W-quater 1) of the TUF and, therefore, the threshold for the disclosure of relevant shareholdings pursuant to Article 120 of the TUF is currently 3% (three per cent) of the share capital with voting rights;

indirectly, a shareholding exceeding 3% (three per cent) of the subscribed share capital of “SANLORENZO S.p.A.”, represented by shares with voting rights, are the following:

The Chairman invites the Designated Representative to make any legal declaration required by law.

The Designated Representative, in the person of Massimiliano Chiadò Piat, takes the floor and states:

- that within the legal deadline, 8 (eight) proxies were received pursuant to Article 135-*undecies* of the TUF and 1 (one) sub-delegation pursuant to Article 135-*novies* of the TUF, incorporating no. 291 (two hundred and ninety-one) ordinary proxies for a total of no. 299 (two hundred and ninety-nine) proxies, totalling no. 30,039,994 (thirty million thirty-nine thousand one hundred and ninety-four) ordinary shares equal to 85.7805% (eighty-five point seven thousand eight hundred and fifty-five per cent) of the share capital, granting no. 49,256,099 (forty-nine million two hundred and fifty-six thousand nine hundred and ninety-nine) voting rights;
- that prior to each vote, he will communicate the shares for which no voting indications have been provided by the delegating party.

The Chairman, having acknowledged that pursuant to paragraph 3 of the aforementioned Article 135-*undecies* of the TUF, the shares for which proxy has been conferred, even partially, to the Designated Representative, are calculated for the purpose of duly constituting the Shareholders' Meeting, while in relation to the proposals for which voting instructions have not been provided, the shares will not be counted for the purposes of calculating the majority and the share of capital required for the approval of the related resolutions. He declares that there are therefore present by proxy no. 260 (two hundred and sixty) shareholders entitled to vote, representing no. 30,039,994 (thirty million thirty-nine thousand nine hundred and ninety-four) ordinary shares equal to 85.7805% (eighty-five point seven thousand eight hundred and eighty-five per cent) of share capital, totalling no. 49,256,099 (forty-nine million two hundred and fifty-six thousand nine hundred and ninety-nine) voting rights equal to 90.5381% (ninety point five thousand three hundred and eighty-one per cent) of the voting rights, taking into account the shares with increased voting rights.

The Chairman informs that the communications of the intermediaries for purposes of participation in this Shareholders' Meeting by the entitled persons through the Designated Representative were carried out in accordance with relevant governing legal provisions and in compliance with the provisions of

the By-laws.

Hence, he declares that the Shareholders' Meeting is duly convened, validly constituted in first call within the terms of the law and the By-laws and is empowered to make resolutions upon items on the agenda.

He announces that there was no solicitation of voting proxies pursuant to Article 136 et seq. of the TUF promoted in relation to today's meeting.

He informs that, pursuant to the "GDPR" (General Data Protection Regulation - EU regulation 2016/679) and the governing national legislation on personal data protection, the personal data collected are processed and stored by the Company, on electronic media and hardcopy, for the purposes of correctly conducting Shareholders' Meetings and for taking minutes, as well to satisfy any related corporate and legal obligations.

He also notes that the audio-video recording of the Shareholders' Meeting is made for the sole purpose of facilitating the taking of the meeting minutes and documenting what is transcribed in the minutes, as specified in the information provided to all participants; all data will be stored, together with the documents produced during the meeting, at Sanlorenzo's registered office; recording tools of any kind, photographic equipment and similar cannot be used, with the exception of the audio recording tools used by the Company to facilitate the taking of the meeting minutes.

The Chairman notes:

- that the voting rights relating to the shares for which the disclosure obligations referred to in Articles 120 and 122, paragraph 1, of the TUF concerning respectively the relevant shareholdings and shareholders' agreements - have not been fulfilled, cannot be exercised;
- that the Company is not aware of any shareholders' agreements stipulated between shareholders pursuant to Article 122 of the TUF;

The Chairman then moves on to discussion of the **first item** on the agenda of the **ordinary part**:

1. Financial statements for the year ended 31 December 2023. Related and consequent resolutions:

1.1. approval of the financial statements and the report on operations for the year ended 31 December 2023. Presentation of the consolidated financial statements of the Sanlorenzo Group as at 31 December 2023. Presentation of the consolidated non-financial statement for financial year 2023;

1.2. proposal for allocation of profit;

1.3. reduction of restriction on the extraordinary reserve up to a maximum amount of €6,850,000 pursuant to Article 110, paragraph 8, of Italian Decree-Law no. 104 of 14 August 2020, converted into law with amendments by Italian Law no. 126 of 13 October 2020.

The Chairman specifies that the reading of the documents will be omitted, limiting the reading to the resolution proposals only. The same procedure will also be applied to all other items on the agenda for today's Shareholder's Meeting. The Chairman acknowledges that there are no objections.

The Chairman, moving to the **first sub-item of the first item** on the agenda, states that, considering that the figures from the separate and consolidated financial statements as at 31 December 2023, as well as the Consolidated Non-Financial Statement for fiscal year 2023, as examined and approved by the Company's Board of Directors held on 15 March 2024, were made available to the public in accordance with the law, their presentation can be omitted. The Chairman acknowledges that there are no objections.

The Chairman yields the floor to Enrico Fossa, Chairman of the Board of Statutory Auditors, who reports that, on behalf of the entire Board of Statutory Auditors, he has received on time from the Auditing Firm, BDO Italia S.p.A., the Supplementary Report to the Audit Committee referred to in Article 11 of Regulation (EU) no. 537/2014 of the European Parliament and of the Council, and that the Board of Statutory Auditors has no comments to report on it.

The Chairman, Mr. Massimo Perotti, moving on to the **second sub-item of the first item** on the agenda, puts the proposed resolution he read previously concerning the allocation of profit for the year ended 31 December 2023 to the vote.

The Chairman pointed out that the amount of the proposed dividend corresponds to a pay-out of 38% (thirty-eight per cent) of the Group's net result for the period and that, therefore, the dividend is 52% (fifty-two per cent) higher than the dividend of €0.66 (zero point sixty-six) distributed in 2023.

The Chairman, Massimo Perotti, finally, moves on to the discussion of the **third sub-item of the first item** on the agenda, putting to the vote the proposal to reduce the restriction on the extraordinary reserve, pursuant to Article 110, paragraph 8, of Italian Decree Law no. 104 of 14 August 2020, converted with amendments by Italian Law No. 126 of 13 October 2020.

To this end, the Chairman, Massimo Perotti, points out that on 21 April 2021,

the Shareholders' Meeting had resolved to place a restriction on the extraordinary reserve up to a maximum amount of €8,400,000.00 (eight million four hundred thousand point zero zero), pursuant to Article 110, paragraph 8, of Italian Decree Law no. 104 of 14 August 2020, converted with amendments by Law no. 126 of 13 October 2020, as a result of the decision to realign tax values to the higher book values for certain assets. This realignment, carried out in compliance with tax regulations, allows the Company to obtain significant tax savings spread over the depreciation period of the realigned assets and determined by the difference between the ordinary direct tax rate and the pro tempore substitute tax rate.

The amount of the restriction approved by the Shareholders' Meeting of 21 April 2021, amounting to €8,400,000.00 (eight million four hundred thousand point zero zero) was intended as a maximum amount, subject to gradual reduction in subsequent years for the depreciation portion of the assets subject to realignment.

On 28 April 2022, the Shareholders' Meeting resolved to reduce this restriction to a maximum amount of €7,850,000. On 27 April 2023, the Shareholders' Meeting resolved a further reduction of this restriction up to the maximum amount of €7,320,000. By virtue of the above, the Board of Directors resolved to propose to the Shareholders' Meeting a further reduction of this restriction up to the maximum amount of €6,850,000 (six million eight hundred and fifty thousand).

In view of the foregoing, the following proposed resolution, set forth in the explanatory report of the Board of Directors pursuant to Article 125-*ter* of the TUF and 84-*ter* of Consob Regulation no. 11971 of 14 May 1999 (“**Issuers' Regulation**”) made available to shareholders in the manner required by law, is submitted for approval by the Shareholders' Meeting:

“The Shareholders' Meeting of Sanlorenzo S.p.A., which met in ordinary session,

(i) having heard and approved the explanation by the Chairman of the Shareholders' Meeting;

(ii) having examined the draft financial statements of Sanlorenzo S.p.A. for the year ended 31 December 2023, which post a net profit for the year equal to €86,959,944, and the Report of the Board of Directors on Operations;

(iv) having acknowledged the report of the Board of Statutory Auditors and the report of the Independent Auditing Company;

2. to allocate the net profit for the year, totalling €86,959,944, (i) to the legal reserve, €38,853; (ii) to the Shareholders as dividend in the amount of €1.00, gross of withholding tax, for each of the shares outstanding on the ex-dividend date, net of treasury shares held at that date, with payment date on

22 May 2024, ex-dividend date on 20 May 2024 and record date (date of entitlement to the dividend payment, pursuant to Article 83-terdecies of the Italian Legislative Decree no. 58 of 24 February 1998) on 21 May 2024; and (iii) to the extraordinary reserve, the remaining part;

3. to reduce the restriction on the extraordinary reserve to the maximum amount of €6,850,000, pursuant to Article 110, paragraph 8, of the Italian Decree Law no. 104 of 14 August 2020, converted with amendments by Italian Law no. 126 of 13 October 2020;

4. to grant mandate to the Chairman of the Board of Directors, Mr. Massimo Perotti to carry out all the activities relating to, consequent to or connected with the implementation of the resolutions referred to in points 1), 2) and 3) above, with the right to sub-delegate, including through powers of attorney”.

- 6.3 The increased voting rights shall be obtained by way of registration in the specific special list (the "List"):
- (i) based on an application from the owner who intends to request registration on the List, who must formulate the request, for part or all of the shares held, to the intermediary that keeps the accounts on which the shares are recorded, pursuant to the regulations in force (the "Intermediary"), using the specific form published on the company's website. the Intermediary shall forward the request to the company, along with the communication from the Intermediary, issued in compliance with Article 23-*bis*, paragraphs 1 and 2 of the CONSOB-Bank of Italy Joint Regulation of 22 February 2008 on rules governing centralised management, liquidation, guarantee systems and management companies, adopted pursuant to Article 81, paragraph 1 of Italian Legislative Decree no. 58 of 24 February 1998 (the "Joint Regulation") certifying the shares owned and containing the phrase "until revoked", as well as the information pursuant to Article 21, paragraph 2 of the Joint Regulation, by way of certified email. If the parties are not

natural persons, the request formulated to the Intermediary and sent by the Intermediary to the company must specify whether the party is subject to the direct or indirect control of third parties and the identification data of any parent company pursuant to Article 93 of Italian Legislative Decree no. 58 of 24 February 1998. By verifying that the conditions of law and these by-laws have been met, the company shall promptly carry out registration on the List, in any event within the terms set out in Article 6.13 below, providing feedback on that registration to the owner;

- (ii) once the shares have been held on a continuous basis for twenty four months from registration on the List (the "Relevant Period") certified by a specific communication issued by the Intermediary, on request of the owner, in compliance with Article 23-*bis*, paragraph 3 of the Joint Regulation and, thus, with the continuation of the registration during the Relevant Period;
 - (iii) effective from the conclusion of the Relevant Period, where the requirements have continued to be met.
- 6.4 The company shall establish and keep, in the forms required for keeping the corporate registers, the List that registers the shareholders who have requested increased voting rights. The List shall contain the information pursuant to the applicable regulations and these by-laws. To the extent compatible, the provisions regarding the corporate registers and all other provisions on the matter, including those regarding the publicity of information and the right of inspection by shareholders, shall apply to the List.
- 6.5 For the purpose of participating in the shareholders' meeting, the increased voting rights already vested on conclusion of the Relevant Period shall take effect on the date indicated in Article 83-*sexies*, paragraph 2 of Italian Legislative Decree no. 58 of 24 February 1998 (record date).
- 6.6 The increased voting rights already vested or, if not vested, the period of ownership necessary to vest the increased voting rights, shall be retained, by way of communication of the Intermediary to the company pursuant to Article 23-*bis*, paragraph 8 of the Joint Regulation:

- 6.7 The increased voting rights shall extend, by way of communication of the Intermediary to the company pursuant to Article 23-*bis*, paragraph 4 of the Joint Regulation, to ordinary shares (the "New Shares"):
- (i) assigned as a result of free share capital increase pursuant to Article 2442 of the Italian Civil Code and due to the owners of shares, in relation to shares whose increased voting rights have already vested or are vesting as a result of registration on the List (the "Original Shares"); and
 - (ii) subscribed by the owner of the Original Shares in exercising the option rights due in relation to those shares as a result of share capital increase against payment.

The increased voting rights also extend to the New Shares due in exchange for the Original Shares in the event of merger or spin-off, where this is provided for in the merger or spin-off plan and within the terms governed therein.

In those cases, the New Shares shall acquire the increased voting rights:

- (i) where the increased voting rights for the Original Shares was already vested, from the time of registration on the List, without the need for continuation of the Relevant Period; or
- (ii) where the increased voting rights for the Original Shares have not vested, but are vesting, from the time of completion of the Relevant Period calculated starting from the registration of the Original Shares on the List.

6.8 Save for that set out in Article 6.6, the increased voting rights shall not apply to shares:

- (i) transferred for any reason other than death, or lodged as pledge, subject to usufruct or other restrictions that attribute the voting rights to a third party. The increased voting rights shall not be lost due to the lodging of a right of pledge which excludes the voting rights for the secured creditor or which provides that the transfer of the voting rights to the secured creditor shall not be automatic and shall be triggered where specific conditions occur, save for the transfer, if any, of the voting rights to the secured creditor due to the effective occurrence of the conditions set out in the deed of pledge and the creditor's stated intention to avail of such rights;
- (ii) held by companies or undertakings that hold equity investments exceeding the threshold set out in Article 120, paragraph 2 of Italian Legislative Decree no. 58 of 24 February 1998 in the event of transfer of direct or indirect control (understood as those cases set out in Article 2359, paragraph 1, no. 1 of the Italian Civil Code) in said companies or undertakings, for any reason, free of charge or against payment.

6.9 The increased voting rights shall also be lost in the event of full or partial withdrawal by the owner of the increased voting rights, to be carried out through a notice of total or partial revocation of registration on the List carried out by the Intermediary on request of the owner pursuant to Article 23-bis, paragraph 6 of the Joint Regulation. That notice must be received by the company no later than the third trading day of the calendar month following the month in which the owner availed of the right of withdrawal and, in any event, by the trading day prior to the date indicated in Article 83-sexies, paragraph 2 of Italian Legislative Decree no. 58 of 24 February 1998 (record date). In any event, the withdrawal shall be irrevocable and the increased voting rights can be newly acquired through a new registration on the List and a new, full completion of the Relevant Period.

6.10 Shareholders registered on the List agree that the Intermediary shall report, and that they are required to communicate all circumstances and events that result in the loss, pursuant to law or these by-laws, of the requisites for the increased voting rights or impacts the ownership thereof, no later than the third trading day of the calendar month following the month of occurrence and, in any event, by the trading day prior to the date indicated in Article 83-sexies, paragraph 2 Italian Legislative Decree n. 58 of 24 February 1998 (record date).

6.11 The List shall be updated by the fifth trading day from the end of each calendar month and, in any event, by the trading day following the date indicated in Article 83-sexies, paragraph 2 Italian Legislative Decree no. 58 of 24 February 1998 (record date), in accordance with that set out in these by-laws. In addition to cases of waiver and request by the interested party, the company shall proceed with cancellation from the List also under law, where it receives news of the occurrence of events that entail the loss of the increased voting rights or, in any event, the loss of the requirements for their acquisition, providing notice to the Intermediary within the terms and according to the methods set out by the *pro tempore* regulations in force.

6.12 The party entitled to the increased voting rights shall be authorised to exercise these rights by exhibiting a specific communication in the forms required by the applicable regulations and these by-laws and as a result of verification by the company that there are no circumstances that would impede such action.

- 6.13 For the purpose of participating and voting in the shareholders' meeting, the company shall conduct authorisation and verification with reference to the date indicated in Article 83-*sexies*, paragraph 2 of Italian Legislative Decree no. 58 of 24 February 1998 (record date).
- 6.14 The increased voting right shall be calculated for each resolution of the shareholders' meeting and, thus, for determining share capital quotas for quorum and decisions in shareholders' meetings, but shall not affect the rights, other than voting rights, which are due and can be exercised by virtue of ownership of specific capital quotas and, thus, *inter alia*, for determining the capital quotas required to submit lists for the election of company bodies, for exercising liability actions pursuant to Article 2393-*bis* of the Italian Civil Code and for challenging, in any way and for any reason, the resolutions of shareholders' meetings.
- 6.15 Pursuant to Article 127-*quinquies*, paragraph 7 of Italian Legislative Decree no. 58 of 24 February 1998, for the purpose of the vesting of the period of continuous ownership necessary for the increased voting rights, relating to the shares existing prior to the order of admission of the shares to trading on the *Mercato Telematico Azionario* (Italian Screen-Based Stock Market) organised and managed by Borsa Italiana S.p.A., the period of ownership prior to that time is also calculated and, therefore, prior to the date of registration on the List. Also in derogation from the previous provisions of this Article 6, where a shareholder requests, pursuant to this Article 6.15, registration on the List based on the calculation of ownership vested prior to that registration, relating to the shares existing prior to the order of admission of the shares to trading on the *Mercato Telematico Azionario* organised and managed by Borsa Italiana S.p.A., the Relevant Period shall be understood as vested starting from the 24th (twenty fourth) month following the start date of ownership of the shares for which the owner is requesting registration on the List, as certified by the results of the corporate register.
- 6.16 At the date of entry into force of the new Article 82, paragraph 2 of Italian Legislative Decree no. 58 of 24 February 1998, all references contained in this Article and these by-laws to the Joint Regulation shall be understood as made to the corresponding provisions of the regulation that shall be adopted by CONSOB and the Bank of Italy pursuant to the new Article 82, paragraph 2 of Italian Legislative Decree no. 58 of 24 February 1998.

Article 8 – Withdrawal

- 8.1 Withdrawal is permitted only in the cases mandatorily permitted by law, and is not permitted in the case of extension of the duration of the company and the introduction or removal of restrictions to the circulation of equity securities.

- (ii) the remaining director shall be taken from the minority list that is in no way connected, even indirectly, with the parties who submitted or voted for the list which obtained the highest number of votes, which obtained the second highest number of votes, in the person of the first candidate on the list.

Nonetheless, where the minority list under point (ii) does not obtain a percentage of votes equal to at least half of that required, pursuant to Article 13.7 above and the applicable law, for the purpose of submitting the lists, all directors to be elected shall be taken from the list that obtained the highest number of votes under point (i).

13.12 If two or more lists have obtained the same number of votes, a new vote shall be taken. If there is another draw between the lists voted on, the list submitted by shareholders that own a larger equity investment or, in the event of equal investments, the higher number of shareholders, shall prevail and shall be considered the list with the most votes pursuant to Article 13.11, point (i), above.

13.13 If only one list is submitted, the shareholders' meeting shall express its vote thereon and, where the list obtains the vote in favour from the majority set out by law for resolutions of the ordinary shareholders' meeting, all the members of the board of directors shall be taken from that list, without prejudice to compliance with the provisions of law and these by-laws on the balance of genders and the provisions of law and these by-laws on the appointment of independent directors.

13.14 If, on conclusion of voting, the minimum number of directors meeting the independence requirements set forth in these by-laws and by law are not appointed, the non-independent candidate elected as the last in the sequential numbers on the list which obtained the highest number of votes pursuant to

Article 13.11, point (i) above shall be removed and, replaced by appointing the first non-elected candidate meeting the independence requirements, in sequential order on the same list as the removed candidate or, if none, the first non-elected candidate meeting the independence requirements, in sequential order of the other lists, based on the number of votes obtained by each candidate. Said replacement procedure shall take place until the board of directors is composed of a minimum number of directors that meet the independence requirements established by these by-laws and the law. Lastly, where said procedure does not guarantee the results indicated just above, the replacement shall be made through a resolution of the shareholders' meeting by relative majority, upon submitting the candidatures of parties meeting the independence requirements.

- 13.15 If, on conclusion of voting, the composition of the board of directors compliant with the provisions of law and these by-laws on the balance of genders is not guaranteed, the candidate of the majority gender who is elected as the last in the sequential order on the list which obtained the highest number of votes pursuant to Article 13.11, point (i) above shall be removed and replaced by appointing the first non-elected candidate of the minority gender from the same list as the removed candidate, in sequential order or, if none, the first non-elected candidate of the minority gender, in sequential order of the other lists, based on the number of votes obtained by each candidate. This replacement procedure shall be executed until the composition of the board of directors complies with the provisions of law and these by-laws on the balance of genders. Lastly, where said procedure does not guarantee the results indicated just above, the replacement shall be made through a resolution of the shareholders' meeting by relative majority, upon submitting candidates of the minority gender.
- 13.16 If no lists are submitted, or the only list submitted does not obtain the vote in favour of the majority set out by law for resolutions of the ordinary shareholders' meeting, or where, on conclusion of the list voting, a number of directors is elected that is lower than the number set by the shareholders' meeting, the shareholders' meeting shall appoint the missing directors with the majorities required by law, without observing the list voting procedures, without prejudice to compliance with the provisions of law and these by-laws on the balance of genders and the appointment of independent directors.
- 13.17 If one or more directors fall from office during the year, provided that the majority remains composed of directors appointed by the shareholders' meeting, the procedure pursuant to Article 2386 of the Italian Civil Code shall be followed, without prejudice to compliance with the *pro tempore* law in force on the balance of genders and the appointment of independent directors. The majorities set out by law shall apply for the appointment by the shareholders' meeting of members of the board of directors replacing those fallen from office. If the majority of directors appointed by the shareholders' meeting falls from office, the entire board of directors shall be deemed as fallen from office, and the shareholders' meeting must be called without delay by the remaining directors to replace the board of directors.
- 13.18 Where the number of directors has been determined by the shareholders' meeting in a number lower than the maximum set out in Article 12.1 above, during the term of office of the board of directors, the shareholders' meeting increase that number within the maximum limit set out in said Article 12.1. - (ii) the candidate to the office of standing auditor indicated in the first position on the minority list that obtained the second highest number of votes, and which, pursuant to law, is in no way connected, even indirectly, with those who submitted or voted for the list that obtained the highest number of votes, shall be elected as standing auditor and chair of the board of statutory auditors;

investment or, in the event of equal investments, the higher number of shareholders, shall prevail and shall be considered the list with the most votes pursuant to Article 21.10, point (i), above.

- 21.12 If only one list is submitted, the shareholders' meeting shall express its vote thereon and, where the list obtains the vote in favour from the majority set out by law for resolutions of the ordinary shareholders' meeting, all the members of the board of statutory auditors shall be taken from that list, without prejudice to compliance with the provisions of law and these by-laws on the balance of genders.

When statutory auditors elected from the minority list must be replaced, the shareholders' meeting replaces them by relative majority vote, choosing from the candidates indicated on the same list as the statutory auditor being replaced, or on the minority list that had the second highest number of votes. If, for any reason, applying these procedures does not permit the replacement of the statutory auditors designated by the minority, the shareholders' meeting shall take a relative majority vote. Nonetheless, in verifying the results of the latter vote, the votes of shareholders which, according to the notifications made pursuant to regulations in force, hold, even indirectly or even jointly with other shareholders participating in a relevant shareholders' agreement pursuant to Article 122 of Italian Legislative Decree no. 58 of 24 February 1998, the relative majority of votes that can be exercised in the shareholders' meeting, or of shareholders that control, are controlled by or subject to joint control by the same shall not be calculated.
